Navigation updates

NEW!
v

Learn more

The **simplified navigation panel** kicks off plans to simplify user functionality for all aspects of Strive.

Manage

Find your **Staff** (formerly Appraisees) quicker than ever at the top of the navigation panel. Use the **Catalog** (formerly Manage Offerings) to manage available courses and conferences.

✦ Staff cards now display subject and grade level!

Appraiser: Smith, Jane
Total Walkthroughs: 6

Grade Level: Twelfth
Subject: Writing

Analysis

The analysis tools you know and love have been separated from reports for easy access. Find them directly on the navigation panel and dig right into the data.

Settings

Find unified settings with a new, fresh look. More updates for the look and feel of Strive settings are possible because of this update, so look forward to additional improvements in the future!
